**Amendments to the *Prescribing Medicines in Pregnancy* Booklet**

**February 2006**

The 4<sup>th</sup> edition of the Prescribing Medicines in Pregnancy Booklet was published on the TGA website in December 1999.

The amendments that have been made to the 4<sup>th</sup> edition are as follows:

<p><b>CENTRAL NERVOUS SYSTEM</b> Page 16,</p>	<p><b>ANTIDEPRESSANTS</b> Selective serotonin reuptake inhibitors (SSRI's)</p> <p>paroxetine*</p> <p>*In September 2005, the categorisation of paroxetine was changed from C to D. The Australian categorization of drugs can be located on the inside of this booklet. Further information can be located on the Therapeutic Goods Administration Web site at the following locations:</p> <p><a href="http://www.tga.gov.au/alerts/paroxetine.htm">http://www.tga.gov.au/alerts/paroxetine.htm</a></p> <p><a href="http://www.tga.gov.au/alerts/ssri-gen.htm">http://www.tga.gov.au/alerts/ssri-gen.htm</a></p> <p><a href="http://www.tga.gov.au/media/2005/050907-paroxetine.htm">http://www.tga.gov.au/media/2005/050907-paroxetine.htm</a></p>
